

HARRIS FREIDMAN  
LAWYERS

**Victoria Thompson, Practice Manager**

Prior to joining Harris Freidman, Victoria worked successfully and productively in a retail team for four years.

Her ability to work cooperatively, address challenges and resolve conflict was essential to ensuring the business' success. In 2010 the small team won the 'Leader - Small Business Award'.

These skills were thoroughly honed in her previous role as a Talent Acquisition Manager for a boutique recruitment agency in Sydney.

Her collaborative skills, together with her Bachelor of Arts, have provided Victoria with strong communication and interpersonal skills with a broad range of people and personalities.

**Qualifications:**

- Bachelor of Arts (Psychology), University of Western Sydney

**And in her spare time...**

Victoria enjoys spending time with her family, friends and her two dogs Wilbur and Hugo.

**Recent highlights include:**

Managing the integration of Harris Freidman's new practice management system.

Developing and automating new legal and administrative precedents.

Building a new website.

Establishing a new client relationship management system.
